

Dear Anthony,

Please accept my most
sincere thanks to you
for your sensitivity &
high standard of
workmanship, in a
business world that
no longer, in most
cases, appears to
care for such matters.

It is for this very
reason that the
work completed by
your family business
over the past generations,
stands out above
all others.

With my very best wishes,
Helen Tonges.

20.12.2003.
