**Re: Reference for H. Johnson and Co Pty Ltd**

---

We are writing to you regarding our involvement with Mr Anthony Renowden and his team at H. Johnson and Co, during the Sydney Church of England Grammar School War Memorial Project at Northbridge, Sydney.

The project was very important in the History of Shore School and was under immense time constraints, to be completed prior to the official opening of the Grandstand and Memorial project.

Anthony proved that he was able to work within a very tight deadline, to get thousands of letters proof read, inscribed and installed by the due date. He undertook the tasks with professionalism and his input was instrumental in making sure the project was pushed forward continuously to successful fruition.

The quality of the completed product was very impressive in terms of quality of finish and precision of lettering. We would have no hesitation in using the services of H. Johnson and Co for similar projects in the future.

Yours faithfully,
